- Take South-Eastern Freeway out of Adelaide.
- Take the Callington exit.
- Travel through Callington.
- Turn right (east) at the Old Princes Hwy.
- At the top of Callington Hill, turn left onto Browns Rd (the diagonal road).
- Follow Browns Rd to a 4-way intersection.
- Continue straight on across this intersection on Hartmann Rd
- Continue along Hartmann Rd for about 500m until you see an open gate to the left (this will be opposite a small horse agistment/riding area
- Enter the gate and turn hard left and follow the track (runs parallel to Hartmann Rd)
- When you come to an open you will see a track going off to the right across the open grassy area, the track will then re-enter a strip of planted vegetation that runs along a 'dry creek (washaway)', continue through the creek and follow track to the outer edge of that strip of planted vegetation. We will be based just there.
